61st Legislature LC0847.01

1	BILL NO
2	INTRODUCED BY
3	(Primary Sponsor)
4	A BILL FOR AN ACT ENTITLED: "AN ACT REQUIRING ENERGY EFFICIENCY AUDITS OF ALL
5	STATE-OWNED BUILDINGS; SETTING ENERGY EFFICIENCY STANDARDS FOR NEW CONSTRUCTION
6	OF STATE-OWNED BUILDINGS; SETTING ENERGY EFFICIENCY STANDARDS FOR STATE PURCHASING;
7	AND AMENDING SECTIONS 17-7-201 AND 17-7-206, MCA."
8	
9	WHEREAS, buildings represent one of the largest potential sources of energy savings in the United
10	States, accounting for 73% of electric power use; and
11	WHEREAS, it is the duty of state government to take necessary actions to minimize any deleterious
12	effects to the environment through the course of governmental functions; and
13	WHEREAS, it is a stated national goal to take all prudent actions when possible to increase U.S. energy
14	independence; and
15	WHEREAS, the implementation of developing technologies in building design and construction leads to
16	economic growth through energy savings that are reinvested and increases jobs in both the manufacturing and
17	research sectors.
18	
19	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:
20	
21	NEW SECTION. Section 1. Energy efficiency audits. (1) The department shall audit all state-owned
22	or state-funded facilities and buildings and report cost-effective means of reducing peak-load energy consumption
23	and overall energy use. In conducting these audits, the department shall:
24	(a) examine existing energy efficiency and renewable energy programs and identify underused program
25	strategies;
26	(b) determine where system upgrades should be made to reduce energy use and create financial
27	savings, including an estimate of the cost of the upgrades.
28	(2) The department shall submit a report to each legislature based upon audit findings that include:
29	(a) recommendations for increasing energy efficiency and increasing the use of renewable energy; and
30	(b) the projected cost of any measures at the point of implementation, any related maintenance, and the

NEW SECTION. Section 2. Energy efficiency standards for new building construction. (1) All planning and preparation for building construction under 17-7-202 after July 1, 2010, must be designed and certified to the LEED silver standard.

- (2) (a) Each state agency shall compile a report on operating savings relating to buildings constructed after July 1, 2010, to the department of administration before July 1 of each even-numbered year.
- (b) The department shall consolidate all reports from state agencies required in subsection (2)(a) into one report to be presented to the legislature during the first week of each regular legislative session. This report is in addition to any other reporting requirements under 17-7-203.

- NEW SECTION. Section 3. Energy efficiency standards for state purchasing. (1) When procuring electronic devices or in delegating procurement under 18-4-222, the department shall purchase or ensure the purchase of equipment that is compliant with the energy star program. Electronic devices referred to in this section include but are not limited to computers, appliances, air conditioners, and office equipment.
- (2) As used in this section, "energy star program" means the joint program on energy efficiency of the U.S. environmental protection agency and the U.S. department of energy.

- **Section 4.** Section 17-7-201, MCA, is amended to read:
- 20 "17-7-201. Definitions of building and construction. In this part the following definitions apply:
- 21 (1) (a) "Building" includes a:
- 22 (a)(i) building, facility, or structure constructed or purchased wholly or in part with state money;
- 23 (b)(ii) building, facility, or structure at a state institution;
- (c)(iii) building, facility, or structure owned or to be owned by a state agency, including the department of transportation.
  - (2)(b) "Building" The term does not include a:
- 27 (a)(i) building, facility, or structure owned or to be owned by a county, city, town, school district, or special
  28 improvement district;
- 29 (b)(ii) facility or structure used as a component part of a highway or water conservation project.
- 30 (3)(2) "Construction" includes construction, repair, alteration, and equipping and furnishing during

61st Legislature LC0847.01

1 construction, repair, or alteration.

(3) "LEED silver standard" means a standard under the leadership in energy and environmental green building rating system developed by the United States green building council.

(4) "State agency" has the meaning provided in 2-18-111."

- **Section 5.** Section 17-7-206, MCA, is amended to read:
- "17-7-206. Maintenance for state buildings. (1) Subject to legislative determination as provided in subsection (2), a major capital project appropriation by the legislature may include an amount for maintenance as a part of the appropriation. The amount appropriated for maintenance must be deposited in the long-range building account for use in future maintenance.
- (2) A state building recommended for construction in the report to the legislature required by 17-7-203 may also be recommended as appropriate for the inclusion of an amount for maintenance. For those buildings recommended for construction, the legislature may allocate an amount not to exceed 2% of the appropriated cost for use in maintenance.
- (3) This section does not preclude additional funds, including separate appropriations, donations, grants, or other available funds, from being used for the construction or maintenance of state buildings.
- (4) All maintenance for state buildings must incorporate practices designated by the LEED silver standard for existing buildings."

- NEW SECTION. Section 6. Codification instruction. (1) [Section 1] is intended to be codified as an integral part of Title 90, chapter 4, part 6, and the provisions of Title 90, chapter 4, part 6, apply to [section 1].
- (2) [Section 2] is intended to be codified as an integral part of Title 17, chapter 7, part 2, and the provisions of Title 17, chapter 7, part 2, apply to [section 2].
- (3) [Section 3] is intended to be codified as an integral part of Title 18, chapter 4, part 3, and the provisions of Title 18, chapter 4, part 3, apply to [section 3].

26 - END -
